Viewing of Obscene Materials on Computers  
On Yavapai College Open-Use Computers**

**POLICY**

The Yavapai College libraries and open labs allow students and visitors\* to use computers as long as they consent to the Yavapai College Acceptable Use Statement. This statement does not permit certain activities, including viewing pornographic or obscene material (see Yavapai College “Workplace and Sexual Harassment” Policy 2.4.4). In signing the Acceptable Use Statement (whether by hand or electronically), students and visitors agree that “College computing resources, including electronic mail and other electronic communication, will not be used to harass others. Sending of obscene, abusive, or threatening messages is against policy and may be a violation of state and/or federal law. Accessing pornographic or obscene material via the Internet that is not related to work or educational purposes is strictly prohibited.” (Yavapai College Acceptable Use Statement, #6)
