

# Yavapai College District Governing Board Meeting

Academic Master Plan Committee

Dr. Marylou Mercado & Dr. Doug Berry

January 28, 2025

# Team Leadership and Composition

- Tri chairs – Drs. Mercado, Berry, & Barber (FSP)
- Committee Representation from the following departments:
  - Academic Affairs Admins
  - Faculty From All Divisions & College Council Committees
  - Student Services
  - IER
  - Fiscal
  - REDC
  - Early College
  - SGA
  - Marketing

# Committee Purpose

- College Mission Alignment & Support of the DGB Resolution
  - Goals
    - Maintain responsiveness to emerging educational needs and trends
    - Optimize allocation of academic resources
    - Advance the mission of delivering high-quality, accessible education
    - Engage in principled innovation across the academic division
    - Continuous evaluation and adjustment for relevance and impact

# Committee Deliverables

- The AMP committee provides an annual review and recommendation to the Executive Leadership Team (ELT)
  - Primary Responsibilities:
    - Collaborate on academic portfolio review and data analysis
    - Consider the college district as a whole
    - Ensure resources are focused on student success and community impact while being fiscally responsible

# Timeline and Commitment

- Meeting Location: Primarily in-person
  - Two-day welcome orientation with Gray's – Thursday & Friday, January 9 & 10, 2025
  - Final Gray's one-day workshop (smaller group) – Tuesday, February 11, 2025
  - Regular monthly 90-minute meetings
  - All members commit for 1 year with possible renewal year-to-year

# Integrated Program Evaluation System (PES)

# Summary

- As a recommending body, the AMP Committee plays a critical role in guiding Yavapai College's academic priorities, aligning with DGB resolution, and fostering student success.
- Additional communication and report outs will happen as the process continues to evolve.
