

Facilities Management Newsletter

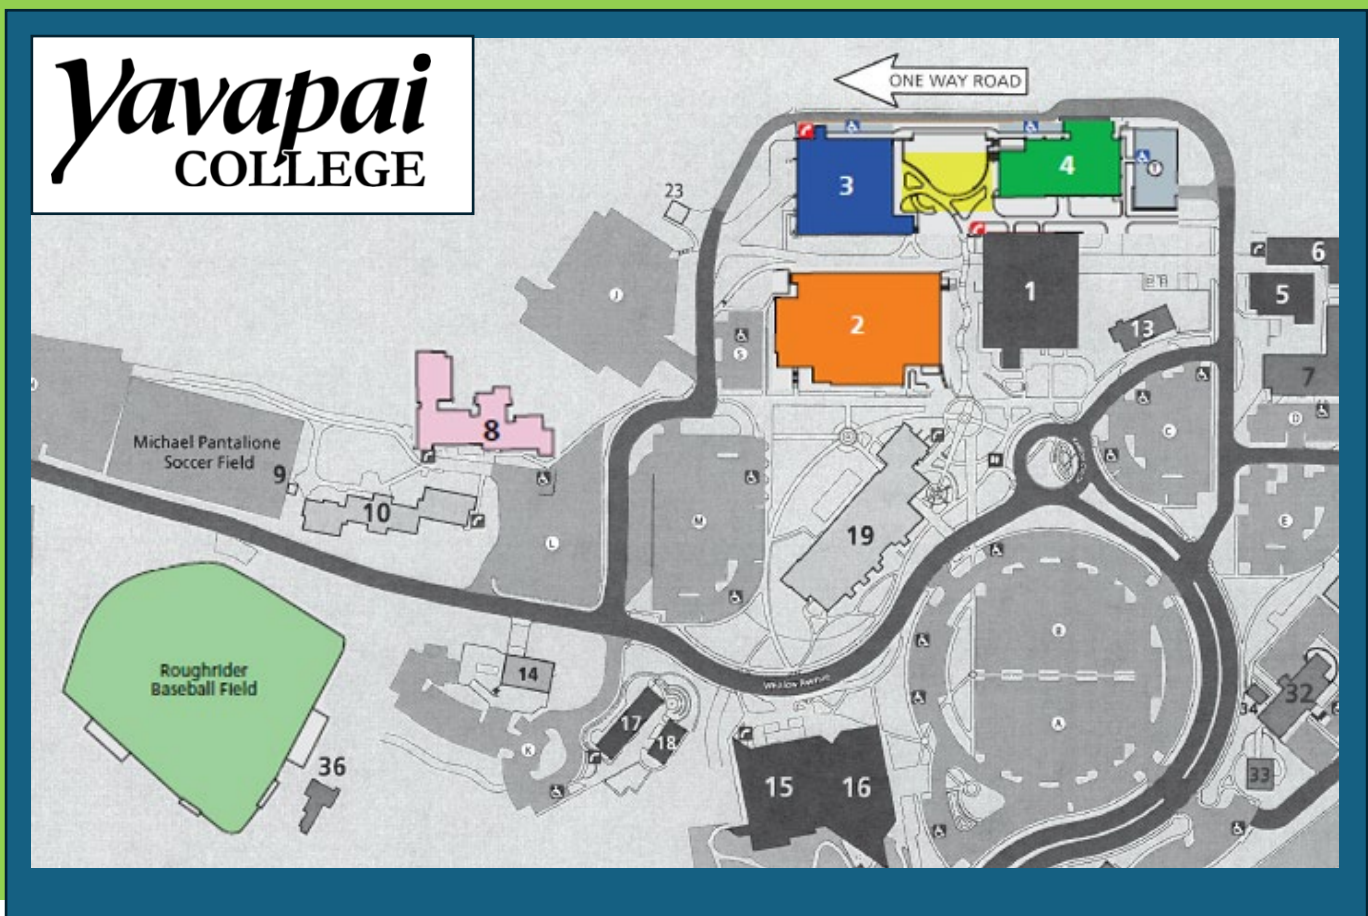

February 2025

As February comes to an end, the Facilities department is planning improvement projects around the Prescott Campus that will begin after the Spring semester.

Kick off begins May 19th and our goal is to have projects completed before the summer term begins to minimize impact on our students, faculty and staff.

Be on the lookout for more news as the projects get closer for additional information.

The colored areas on the map below show all locations that will be updated during this time. These projects improve Residence Halls, buildings, walkways, and athletic spaces.

Baseball Field - YC athletes and fans are going to love the new turf for the baseball field! Existing grass will be replaced with artificial turf! Rendering below.

Building 02 - New bleachers in the gym and floor repairs

Building 08 - Marapai Residence Hall – New HVAC, carpet, paint and lighting

Buildings 3 & 4 – Upstairs exterior deck resurfacing and repairs

Quad between buildings 3 & 4 – Concrete repair, pavers replaced with concrete

Building 4 - Paint retaining walls at parking lot T

Facilities Management District Office, Prescott Campus, Bldg 20

Monday – Thursday 7:30am – 4:30pm; Friday by appointment

Office Phone: 928-776-2180
