

NURSING ACCELERATION CHALLENGE EXAMS

(NACE)

OBJECTIVE

The Nursing Acceleration Challenge Exams (NACE) facilitate educational mobility by providing educators with an instrument for diagnostic evaluation of the nursing knowledge of individuals seeking advanced placement in a nursing program. NACE exams are designed to evaluate previous learning and experience to assist faculty in establishing credit and to make placement decisions about students already selected for admission to the program.

NACE FOUNDATIONS V1.2

OBJECTIVE

The purpose of the NACE-FON is to facilitate educational mobility and success of the Licensed Practical/Vocational Nurse (PN/VN) by providing educators with a standardized instrument for evaluating foundational nursing knowledge and skills. The NACE-FON is intended for the Licensed PN/VN population seeking admission or already admitted into a professional nursing program. Results from the NACE-FON can be used as one component of the total evaluation of each individual applicant or student.
