YAVAPAI COLLEGE COMMITTEE ON FREE EXPRESSION ANNUAL REPORT December 1, 2024

Yavapai College has established a Committee on Free Expression which submits this report as required by A.R.S. §15-1868. The membership of the committee as of October 1, 2024 is provided in Exhibit A.

THE YAVAPAI COLLEGE DISTRICT GOVERNING BOARD AND YAVAPAI COLLEGE PROMOTE AND PROTECT FREE EXPRESSION

As reflected in the college's policy on free expression and long-standing board and college policies and practice, the board and the college strive to ensure the fullest degree of intellectual freedom and free expression. Yavapai College does not shield individuals from speech protected by the First Amendment, including ideas and opinions that may be unwelcome, disagreeable or deeply offensive. The college policy on free expression is provided in Exhibit B.

Students, staff and faculty members may discuss any topic, as the First Amendment allows and within the limits of reasonable content-and viewpoint-neutral restrictions on time, place and manner of expression that are consistent with applicable law. A list of current policies and resources that promote free speech are provided in Exhibit C.

THE BOARD AND YAVAPAI COLLEGE DO NOT TOLERATE BARRIERS TO OR DISRUPTIONS OF PROTECTED SPEECH

The board and the college do not tolerate barriers to or disruptions of protected speech. Yavapai College facilitates spontaneous expression on campus and has procedures to reserve space on campus for planned speech activities. All expressive activities are subject to reasonable time, place, and manner restrictions as permitted by law.

Not all speech is protected speech. Expressive activities are subject to other applicable laws, including laws that address discrimination, harassment, safety, defamation, threats, privacy and confidentiality. Actions that unlawfully disrupt the function of the board or university are also prohibited.

To inform the public and students the college has established webpage to facilitate free expression. https://www.yc.edu/v6/campus-activities/freespeech/

2023-2024 freedom of expression activities confirming Yavapai College's commitment to protecting free expression are provided in Exhibit D.

As required by A.R.S. §15-1869, Yavapai College has included in its new Student Orientation and Residence Hall Orientation programs information describing the policies and rules regarding free expression.

THE BOARD AND THE COLLEGE PROMPTLY ADDRESS ALL ALLEGATIONS OF BARRIERS TO OR DISRUPTIONS OF PROTECTED SPEECH

Yavapai College has a process for responding to allegations of barriers to or disruptions of protected speech. As appropriate, the response may address the conduct immediately and the response may include a process to determine if additional review or sanctions are appropriate under board or university policy. Campus police may be involved if allegations include criminal conduct or if safety concerns are raised.

Yavapai College received no reports of barriers to or disruptions of expression during the past year. Individuals and groups who frequent Yavapai College for free speech purposes all have been allowed to use public spaces or present in reserved spaces when proper reservations have been made according to college policies.

In addition to supporting spontaneous and planned speech events, the Associate Dean of Student Affairs and the Office of Student Development provided consultation to faculty, staff and students who contacted the office to encourage, educate and support free expression on campus.

THE BOARD AND THE COLLEGE PROMOTE DIVERSITY OF THOUGHT AND ADMINISTRATIVE AND INSTITUTIONAL NEUTRALITY

September 5, 2018, Yavapai College adopted a free expression policy in compliance with A.R.S. § 15-1868. A copy of the policy is attached as Exhibit B

As described in this report, the board and the college remain committed to promoting and protecting diversity of thought and free expression. From time to time, however, the board and the college hear concerns from members of campus and the broader community who may not appreciate the broad constitutional protections afforded to speech —even to speech that many in the community may find deeply offensive. The college is committed to protecting expression permitted under applicable law. Yavapai College is also committed as part of its educational mission to providing information about protected speech to those who may seek to have the board or college interfere with or suppress free expression. When protected but offensive speech occurs on campus, the college may use that as an opportunity to educate the broader community as to the nature of constitutional protections as well as to identify opportunities for the safe expression of divergent viewpoints —countering the offensive speech with more speech.

Consistent with maintaining institutional neutrality, state law imposes restrictions on the use of university resources for political activity. A.R.S. § 15-1633. College policy reflects the law, providing that a person acting on behalf of a university may not use university personnel, equipment, materials, buildings or other resources for the purpose of influencing the outcome on an election or advocating in support of or in opposition to pending or proposed legislation which limits the use of university resources or employees to influence elections. Both the law and College policy recognize that employees may participate in political activity outside their employment but shall not allow their interest in a particular party candidate, or political issue to affect the objectivity of their teaching or the performance of their regular college duties. "An employee may not use college equipment, materials, buildings, or other resources to influence the outcomes of elections or use the authority of his/her position to influence the vote or political activities of any employee or student." Yavapai College Policy 2.39.

ALLOCATION OF STUDENT ACTIVITY FEES

PROCEDURE

General Principles

- A. The College will at all times maintain a Content Neutral position in the application and enforcement of this policy.
- B. As an institution of higher education, the College is dedicated to the principle that a free exchange of ideas is fundamental to the pursuit and dissemination of knowledge. To that end, the College is committed to protecting every member of the College Community's right to speak, write, listen to, explore, and debate competing ideas.
- C. In any higher education environment, including here at the College, it is normal for the ideas of various members of a college community to often differ and sometimes conflict. Although the College values highly the principles of civility and mutual respect, it is not the proper role of an institution of higher education to attempt to shield members of the College Community from ideas and opinions they may find unwelcome, disrespectful, upsetting, or even deeply offensive. Concerns about civility and mutual respect do not justify closing off discussion of any ideas or opinions, no matter how disagreeable or offensive they may be to some or even most members of the College Community.
- D. The College is committed fully to the fundamental tenet of higher education that the appropriate response to false, offensive, or even abhorrent Speech is not to prohibit it or hide from it, but to respond to and challenge it with more Speech.
- E. Although members of the College Community are free to criticize and contest the views expressed by others, they may not deny, materially obstruct, or otherwise improperly interfere with others' freedom to express views with which they disagree or which they find offensive or even loathsome.
- F. The freedom to express ideas does not mean members of the College Community may exercise that freedom in ways that are incompatible with ordinary college operations or the rights of other members of the College Community, including their right to a full and equal opportunity to pursue their education, to a college environment free from impermissible or prohibited discrimination and harassment, to access the resources available at the College, and to express their own opinions and beliefs.
- G. The College may restrict Public Expression that violates state, federal, or local law; defames a specific person; or constitutes a Breach of the Peace, Commercial Speech, Fighting Words, Gratuitous Violence, Harassment, a Heckler's Veto, Obscenity, Prohibited Discrimination, or a true threat; or otherwise disrupts ordinary College Operations, College Sponsored Activities, or College Authorized Activities.

- H. The College may place reasonable, Content Neutral regulations on the time, place, and manner of Public Expression to ensure it does not disrupt Ordinary College Functions, College Sponsored Activities, or College Authorized Activities.
- I. The fact that Public Expression activity occurs on College Property does not imply and should not be construed as implying approval or endorsement by the College of any viewpoint or message expressed during the activity.

Location of Public Expression

- A. Any Public Area on College Property may be used for Public Expression consistent with this policy, including on a spontaneous basis, provided the Public Area has not already been reserved for use at that same time, subject to reasonable time, manner, and place restrictions (see Section 4, below).
- B. Reserving Public Areas for Public Expression
 - 1. Reservations are not required to use Public Areas for Public Expression activities.
 - 2. The College recommends individuals or groups who wish to engage in Public Expression activities that are anticipated or likely to involve or attract large numbers of people, or that will involve special equipment (e.g., stages or platforms, chairs, sound amplification) consult with the Associate Dean for Student Life or designee regarding the most appropriate Public Areas to accommodate those activities and reserve those Public Areas in advance.
 - 3. Individuals or groups who wish to engage in planned Public Expression activities may reserve a particular Public Area in advance by submitting a written "Public Area Reservation Form" as follows:
 - At least two (2) business days before the anticipated date of the Public Expression activity, although the College strongly encourages the submission of reservations as early as possible;
 - To the Associate Dean for Student Life or designee when Public Expression activities are to be conducted at one of the College's campuses;
 - c. Public Area Reservation Forms may be obtained from the Student Activities Office or online at studentactivities@yc.edu.
 - 4. Reservation submissions will be processed on a first-come-first-served, Content-Neutral basis and may be denied at the College's discretion under one or more of the following circumstances:
 - a. The Public Expression activity conflicts with scheduled College Sponsored Activities or College Authorized Activities;

- b. The Public Area in question has already been reserved by another individual or group;
- c. The Public Expression activity for which the reservation is sought does not conform to reasonable time, place, and manner restrictions set forth by the College;
- d. The individual or group submitting the reservation has a prior history with the College of engaging in Public Expression activities that are harmful or injurious to members of the College Community, damaging to or the cause of excessive littering on College Property, excessively disruptive to Ordinary College Operations, or that otherwise violate College policy or do not conform to the College's time, place, and manner restrictions.
- 5. Individuals and groups submitting reservations will be notified within one (1) business day if their reservations are confirmed or have been denied.
- 6. If a reservation submission is denied, the College will provide a timely written explanation for the denial and make reasonable efforts to work with the individual or group whose reservation was denied to modify the reservation submission to facilitate its approval.
- C. The College reserves the right to cancel any Public Area reservation or terminate any Public Expression activity already in progress if anyone participating in the Public Expression activity engages in any conduct prohibited by this policy (see Section 8 below), by state or federal law, or municipal ordinance.

D. Appeals

- 1. An appeal of the denial or cancellation of a reservation submission or of a decision to terminate Public Expression activity may be submitted to the Dean of Student Development or designee within three (3) business days of the date of the denial, cancellation, or termination.
- 2. Consideration of appeals shall be limited to questions of whether a misapplication of this policy or other College policies or procedures resulted in the denial or cancellation of a reservation submission or the decision to terminate Public Expression activity. The Dean of Student Development or designee will not review or otherwise second-guess decisions of The Associate Dean for Student Life or designee regarding Public Expression or this policy on any other basis.
- 3. Appeals must be in writing and state the following:
 - a. The name of the individual bringing the appeal (the "Appellant") and whether he or she is bringing it on behalf of a particular group;

- A summary of the facts leading to the denial, cancellation, or termination, including the date, time, and location of the Public Expression activity, as well as a description of the Public Expression in which the Appellant engaged or intended to engage;
- c. The basis why the Appellant believes this AP or other specific College policy or procedure was misapplied, and
- d. The relief the Appellant is requesting.
- 4. A copy of the Appeal must be delivered to the Dean of Student Development or designee and to the Associate Dean for Student Life whose decision is being appealed (the "Appellee").
- 5. The Appellee may submit a written response to the appeal within one (1) business day. Copies of the Appellee's response must be delivered to the Dean for Student Development or designee and to the Appellant.
- 6. Appeals pursuant to this policy will be decided and the Appellant notified of the decision within two (2) business days of the College's receipt of the appeal.

Time, Place, and Manner Restrictions

- A. Reasonable time, place, and manner restrictions may be imposed on Public Expression activities to achieve a compelling College interest, including, but not limited to, ensuring Ordinary College Functions are not disrupted and to protect the safety and security of the College Community and College Property.
- B. Time, place, and manner restrictions shall be determined by the Associate Dean for Student Life on a case-by-case basis, in consultation with the College's police department and legal counsel.
- C. All time, place, and manner restrictions shall be the least restrictive means necessary to achieve the compelling College interest and must not effectively stop or prevent spontaneous Public Expression and to maximize opportunities and alternative channels for Public Expression.
- D. Any time, place, and manner restrictions on Public Expression shall be Content Neutral.
- E. In the event the College deems it necessary to restrict Public Expression, the College will nevertheless, to the maximum extent practicable, propose and provide alternate opportunities for such Public Expression.
- F. The College reserves the right to require any form of Public Expression that a reasonable person applying contemporary community standards would find includes themes or depictions of graphic violence, explicit human sexual acts, or explicit human nudity (but does not otherwise constitute Gratuitous Violence or Obscenity); regardless of its artistic, scientific, or academic value; be conducted or displayed at a

time, in a place, and/or in a manner designed to decrease the likelihood that members of the College Community (e.g., minor children) will unintentionally encounter the Public Expression.

After-Hours Public Expression on College Property

College Property, including all non-public and Public Areas, may not be used for Public Expression activities from 9:00 p.m. until 7:00 a.m., seven (7) days per week, excluding Public Expression associated with Ordinary College Operations or College Sponsored Activities, without the express written permission of the Dean of Student Development or designee.

- B. The College shall make reasonable efforts to address the safety of persons engaged in Public Expression on College Property, including invited speakers and persons attending invited speakers' events.
- C. The College may charge a reasonable fee for the provision of security services at Public Expression events involving invited speakers, provided security fees are charged uniformly and are in no way based on or influenced by the content of the Speech of the invited speaker or of the person or group who invited the speaker.

Amplified Sound

The College reserves the right to restrict or prohibit the use of amplified sound during Public Expression activities at times when amplified sound is reasonably likely to interfere or disrupt Ordinary College Operations, College Sponsored Activities, or non-amplified College Authorized Activities.

Contemporaneous Counter Protests and Counter Demonstrations

- A. Protests, demonstrations, or other Public Expression activities may attract or invite other forms of Public Expression in response, including, but not limited to, contemporaneous counter-protests and counter-demonstrations.
- B. The College will, to the maximum extent possible, treat individuals and groups engaging contemporaneously in Public Expression and in counter-Public Expression equally in accordance with this AP.
- C. To preserve the health and safety of the College Community and to prevent damage to College Property, the College reserves the right to place mutual time, place, and manner restrictions on Public Expression activities and contemporaneous counter-Public Expression activities, including, but not limited to, requiring that activities be conducted a reasonable distance from each other, not to exceed the distance minimally necessary to maintain safety and order.
