

CTE Scholarship Donation from Local Corvette Club's Charitable Foundation

A total of \$12,000 has been awarded to two Prescott-based non-profits by the

Prescott Vette Sette Charitable Foundation. The monies were raised at

the car club's 18th annual All-Corvette Car Show held at the downtown Courthouse Plaza on September 28, 2024. The car show is the group's sole fundraiser, with all proceeds earmarked for local 501(c)3 non-profits selected each year by the club's Charities Committee.

This year's awards – \$6,000 each – were given to the Yavapai College Foundation for CTEC scholarships to students in the Automotive program, and to U.S. Vets to support its myriad service programs for military veterans.
